FS-1010

PRINTER

Print Speed	Up to 14ppm A4
Processor	PowerPC405 200MHz
Scanning System	Laser
Printing Method	Electrophotographic
Resolution	600x600dpi, Fast1200 (1800x600dpi)
Resolution Enhancement	Up to 2400 x 600 dpi with Kyocera Image Refinement 2 (KIR2)
Duty Cycle	maximum 8,000 pages per month average 2,700 pages per month

MEMORY

RAM	16MB RAM
Maximum RAM	144MB (DIMM 1 slot)
System ROM	4MB DIMM

PRINTER CONTROL LANGUAGES

Standard Emulations	PCL6 (PJL) Diablo 630 IBM proprinter X24E Line Printer Epson LQ850 PostScript Level 2 emulation (KPDL2)
Controller Language	Prescribe IIe

RESIDENT FONTS

Internal Scalable Typefaces	80 (Outline PCL6 fonts & KPDL2 fonts supporting an International character set) +
Internal Bitmapped Typefaces	1 fonts
Downloadable Fonts	Kyocera, HP & TrueType format, Type 1 font format
Internal Barcodes	45 Types (one dimension) + 1 Type (two dimension - PDF417)

STANDARD INTERFACES

Interface	IEEE 1284-1 compliant high speed bi-directional parallel + USB 1.1 interface

PAPER HANDLING

Standard paper feed capacity	250-sheet universal cassette. 50-sheet multi-purpose / manual feed tray.
Paper Size Supported	A4, A5, B5, Letter, Legal, Custom (148 x 210 to 216 x 297mm) via cassette; 70 x 148 to 216 x 297mm via multi-purpose feed
Paper Specification*	60-105gsm paper (plain, thick, recycled) via cassette; plus OHP film, post card, envelopes and labels, 60-163gsm via multi-purpose feed.
Paper Output	150 sheets face down + 30 sheets face up

BASIC SPECIFICATIONS

Dimensions (HxWxD)	222 x 377.6 x 374.5mm
Weight	9.5Kg
Time to first print	12 seconds
Ozone emission	0.02 mg/m3
Noise Level	50dB printing, 28dB standby
Power Consumption	265W printing, 13W idling, Approx. 5W power save mode (Energy Star Compliant)
Power	220/240V, 50/60Hz

CONSUMABLES

Toner Kit	TK-17 (6,000 pages @ 5% A4 coverage)
Starter Toner	Approx 3,000 pages (@ 5% A4 coverage)
Toner Kit Components	1x toner cartridge 1x user manual 1x recyclable plastic bag (for the disposal of the old toner cartridge) 1x wiper cloth (lint-free)
Toner Composition	Microfine Ceramic Toner

ENHANCEMENTS

Memory upgrades/DIMM-xx	16, 32, 64 & 128MB DIMMs
Paper feeder/PF-17	250-sheet universal cassette. (Max 1 per printer)
Serial interface/IB-10E	RS232C/RS422A Serial Interface
Network Card/IB-21/21e	10/100BaseT Network Interface Card
/IB-20	10Base2/10/100BaseT Network Interface Card
Compact Flash/CF-xx	16, 32, 48MB Compact Flash cards

CONNECTIVITY COMPATIBILITY

SNMP-compliant multi protocol network interface cards	Multi-protocol network interface cards 10Base2 / 10BaseT / 100BaseT Ethernet / TCP/IP IPX/SPX Ethertalk
High speed serial interface	

WARRANTY

3 year Return to Base warranty as standard.
Warranty void if maintenance is not carried out.
Refer to Warranty Card for terms and conditions.

Additional on-site KyoCare warranty upgrades available.
